NOTES/SPECIAL INSTRUCTIONS:  
 Yes, the builder and I have confirmed jamb size

1. 180 is standard on all mahogany units, and S4S is standard on all knotty alder units, Additional charges may apply to other options  
 2. All doors come unfinished. We offer staining for additional charge and longer lead time.  
 3. 3 Point multi lock has an additional charge. All handlesets provided by Emtek. For more details go to www.dsadoors.com.  
 4. Outswing units need outswing thresholds and security hinges. This will increase your cost
