

**DISCONTINUED
2021 UNITS**

DSA is discontinuing some of the standard offerings from our collections starting in 2021. These units will only be available standard while supplies last! Once we run out of stock, the discontinued items will only be available as custom DSA units ordered through our custom sales department.

We will do our best to keep you updated as we sell through our remaining inventory. Be sure to contact your DSA Sales Associate before placing your order for a discontinued unit! We can not honor standard prices if you place an order without verifying we have enough inventory with a member of our sales staff first.

Our discontinued units are first come, first serve. If we do not receive the sign-off for a discontinued order within the first 24 business hours, you will need to contact your Sales Associate to verify if the quantity required is still available.

The following units and offerings have been discontinued:

- Havasu
- Manchester
- Marseille
- Sicily
- Trinity (3 Panel)
- Trinity (with Iron)
- Milan San Donato
- Milan San Marino
- Alexandria 6LT (Knotty Alder)
- Crossbuck Dutch Pane

Thank you for your attention and understanding,

The DSA Team
